Mr. Ronald Nichols,

Portsmouth, Ohio.

Dear Sir:

I am in receipt of your letter dated March 24th, 1941, requesting me to send my Ball Club to Portsmouth sometime during the summer to play a night game.

As you may know, our schedule is only made up to July 4th, 1941 and during that time there is only one day I could possibly come to Portsmouth, and that would be Tuesday, May 6th, 1941, which is one week later than the Grays and Elites are scheduled to play there. We could make this stop on our way home from training camp, if I close the day before in the Town with which I am negotiating.

At present I cannot give you a definite answer until a few days, but would appreciate hearing from you by return mail, if possible for us to come there, if a date can be arranged.

Very truly yours,
